DE•POLLUTION

**DEFENCE AND REPAIR TREATMENT
AGAINST ENVIRONMENTAL POLLUTION
(INVISIBLE TOXIC AGGRESSORS)**

Bilateral action treatment which, on one hand, defends skin against external attacks, preserving the balance of the skin's microbiota in perfect functional conditions and protecting it from the oxidative stress produced and, on the other hand, repairs the damage caused by environmental pollution, getting rid of toxic residues which have reached and accumulated in the skin's dermal interior as well as compensating lost cell nutrition and hydration levels in order to prolong the skin's health and longevity.

**DETOXIFICATION PROTOCOL FOR ASPHYXIATED SKIN
PROTOCOL WITH [MS] MESOLAB**

DE·POLLUTION HOMECARE ROUTINE

- 1._ **ECC_REMOVER GEL**
Apply the required amount of product and work over the face, neck and décolletage with moist hands. Rinse with water.
- 2._ **ECC_REMOVER MIST**
Spray and gently tap the face, neck and décolletage to seal the product. Allow to dry naturally
- 3._ **DE-POLLUTION DETOX POLLUTION SERUM**
Apply 3 pumps of the product over the face, neck and décolletage in an ascending direction.
- 4._ **DE-POLLUTION DEFENCE POLLUTION CREAM SPF20**
Apply the product generously and uniformly. Reapply the product frequently in order to stay protected.
- 5._ **ECC_REMOVER MISCELAR EYES AND FACE**
Shake before using. Moisten cotton wool and remove make-up from eyes, face, neck and décolletage.
- 6._ **ECC_REMOVER 3D-TEXTURE CLEANSER**
Apply the required amount of product and work over the face, neck and décolletage with moist hands. Rinse with water.
- 7._ **ECC_RENEWALL PEEL PADS**
Rub the pad on its textured side over the face, neck and décolletage with firm, constant, circular movements. Allow to absorb naturally, do not remove.
- 8._ **DE-POLLUTION DETOX POLLUTION CREAM**
Apply the required amount of the product over the face, neck and décolletage by means of a gentle massage in an ascending direction.

DE·POLLUTION PROFESSIONAL TREATMENT _DETOX

what does it treat?

Treats skin which experiences stress and reactivity. Increases the skin's immune capabilities. Protects and defends against attacks caused by external aggressions. Repairs and compensates for damage caused by both internal and external environmental pollution.

DE•POLLUTION PROFESSIONAL TREATMENT _ DETOX

PRE-TREATMENT

DOUBLE CLEANSING PHASE

- 1 Shake ECC_REMOVER MISCELAR EYES AND FACE energetically to completely emulsify the product. Soak the cotton pads and cleanse eyes, face, neck and décolletage. Remove with a damp towel.
- 2 Spray ECC_REMOVER MIST in the form of a mist on face, neck and décolletage and perform a light tapping.
- 3 Apply ECC_REMOVER MILK to the entire face, neck and décolletage with quick circular movements. Rinse with warm water and dry.
- 4 Spray ECC_REMOVER MIST in the form of a mist on face, neck and décolletage and perform a light tapping.
- 5 Apply ECC_REMOVER 3D-TEXTURE CLEANSER on the area with a brush, leave on for 1 minute and then massage the product until it turns into oil. Moisten your fingers and continue working until a light lotion is obtained. Remove with a damp towel and dry.
- 6 Spray ECC_REMOVER MIST in the form of a mist on face, neck and décolletage and perform a light tapping.

EXFOLIATING PHASE

- 7 Work the face, neck and décolletage with two ECC_RENEWALL PEEL PADS on their textured side and with circular movements. Leave to absorb.

TREATMENT

MESSAGE AND ELECTROPORATION PHASE

- 8 Apply 1 pump of DE-POLLUTION TOTAL DETOX SERUM from the palm of your hand to the skin and perform the *DETOX MASSAGE TECHNIQUE*.
- 9 Connect [MS] MESOLAB system and select the settings required. Electroporate 4 pumps of DE-POLLUTION TOTAL DETOX SERUM until it has been completely absorbed.

★ **TIP 8 and 9:** In the event of not having the [MS] MESOLAB system, apply the product with the *ESSENTIAL MASSAGE TECHNIQUE*. Then, perform *DETOX MASSAGE TECHNIQUE*.

★ **TIP 10:** The amounts to obtain the ideal texture are a sachet of DE-POLLUTION BLACK RUBBER MASK plus 25ml of mineral water.

★ **TIP 10:** DE-POLLUTION BLACK RUBBER MASK is suitable for covering eyes and lips.

PROTECTION AND OCCLUSION

- 10 Mix DE-POLLUTION BLACK RUBBER MASK in a bowl with mineral water until you obtain a homogeneous mixture. With the aid of a spatula, spread on the face, neck and décolletage. Leave on for 12-20 minutes. Remove in one piece.
- 11 Finish by applying a light layer of ECC_REPAIR SHIELD FINAL CREAM SPF20.

★ **TIP 11:** Apply IN ONE'S POCKET KISS ME A LOT on the lips to moisturise them.
