

GLACIAR
INTENSE AND PROLONGED
HYDRATION LINE
AGAINST DAILY IMBALANCES

Dehydration contributes to the appearance of wrinkles, as a lack of skin moisture results in dryness, making it one of the main causes of ageing skin.

Facial care line that, on the one hand, prevents transepidermal water loss and, on the other, stimulates and restores the skin's self-hydration mechanisms, thus keeping the skin's natural hydrolipid film in optimal balance. The skin feels fresh, soft, supple and comfortable.

"Hydrated skin with extra comfort."

250 ml / 8.5 fl.oz.

**GLACIAR +HYDRATION
MOISTURISING CREAM. DRY SKIN**

Ref: 10125

DESCRIPTION

Face cream aimed at a young public to maintain the quality of their skin. Its hydrating formula stimulates and restores the skin's self-hydration mechanisms, improving the natural lipid barrier and providing extra nourishment to offer better protection to dry and sensitive skin.

ACTIONS

- Hydrating.
- Nourishing.
- Restoring.
- Protecting.

ACTIVE INGREDIENTS

LIPOSOMAL GLACIER WATER: Highly pure, refreshing water. Liposomal encapsulation increases skin penetration in synergy with the other active ingredients. It provides the skin with hydration and protection against cellular stress.

LOW AND HIGH MOLECULAR WEIGHT HYALURONIC ACID ((Sodium Hyaluronate): This combination provides both intense moisture to the deepest skin layers and restores optimal hydration levels, preventing superficial water loss.

CERAMIDES (Ceramide-3): Resistant to oxidation and provide greater cellular cohesion in the stratum corneum, improving the barrier function and preventing transdermal water loss (TEWL).

AVOCADO OIL (Persea Gratissima Oil): Hydrating and nourishing. Regulates abnormal flaking of the skin, improving the protective function.

COMPOSITION

AQUA, GLYCERIN, PERSEA GRATISSIMA OIL, DICAPRYLYL ETHER, CAPRYLIC/CAPRIC TRIGLYCERIDE, CYCLOPENTASILOXANE, BUTYROSPERMUM PARKII BUTTER, CETYL ALCOHOL, GLYCERYL STEARATE, SQUALANE, SODIUM HYALURONATE, CERAMIDE-3, LECITHIN, CITRIC ACID, PEG-75 STEARATE, CETETH-20, STEARETH-20, PROPYL GALLATE, TOCOPHEROL, CARBOMER, ALCOHOL DENAT, SODIUM HYDROXIDE, PHOSPHOLIPIDS, PHENOXYETHANOL, ETHYLHEXYLGLYCERIN, PARFUM, BENZYL SALICYLATE, HYDROXYCITRONELLAL, HEXYL CINNAMAL, CITRONELLOL, LIMONENE, LINALOOL.

DIRECTIONS FOR USE

Apply 5ml of product (hazelnut-sized) to the face, neck and décolletage. Massage gently, always in an upward direction, until it is completely absorbed.

TIP May also be used to perform and/or complement the **ESSENTIAL TECHNIQUE OF PROFESSIONAL MASSAGE**, in the event that GLACIAR HYDRALURONIC SERUM GEL has absorbed quickly
