

My[B]CODE
PERSONALISED BODY
TREATMENT

A revolutionary concept, especially designed to prevent and combat the most common body problems (such as flaccidity, cellulite, excess volume, stretch marks and poor circulation,...) in a targeted manner. This personalised treatment uses a unique code that acts intensively according to the needs of the different parts of the body at any time.

Body concentrates formulated to create and customize the most suitable body treatment. Up to three different concentrates may be mixed together, designing the ideal combination to directly tackle the problem that needs treating.

“Reduced cellulite, smoother, even skin.”

31 RELEASING CODE
ANTI-GLYCATION CONCENTRATE

Ref: 10313

DESCRIPTION

Anti-glycation body concentrate that softens hard cellulite, which is mainly located on the arms, thighs and abdomen, restoring fibre elasticity and preventing breakage. Ideal for compact, hard and/or localised cellulite.

ACTIONS

- Remodels.
- Burns fat.
- Drains.
- Firms.
- Antioxidant.

ACTIVE INGREDIENTS

CAFFEINE (*Caffeine*): Metabolic stimulant which enhances lipolytic activity and natural lipid conversion.

PROVISMILIM™: Effective combination of two natural active ingredients (frambinone and fisetin), which act jointly on reducing fatty body tissue in any situation, including while resting, during exercise, and after eating, making it an active ingredient with an adaptive effect. Reduces cellulite, remodels the figure and improves skin elasticity, while reducing swelling and skin thickness.

OXIDO REDUCTASES (*Oxido Reductases*): Enzymes which neutralise free radicals to prevent oxidation from damaging the skin cells.

SOYA PROTEINS (*Glycine Soya Protein*): Promote cell regeneration, helping to restructure and firm the skin for longer.

NATURAL CHILLI EXTRACT (*Capsicum Frutescens Fruit Extract*): Has a powerful hyperaemic and rubefacient effect on the skin. Unlike other substances with similar effects, it is not a cellular toxin; it acts by activating the metabolism, which subsequently causes increased blood flow.

ORGANIC SILICON (*Methylsilanol Mannuronate*): Optimises dermoepidermal cooperation, enhancing its regeneration, while normalising lipolytic activity.

COMPOSITION

AQUA, PROPYLENE GLYCOL, CAFFEINE, ALCOHOL DENAT, FISETIN, RASPBERRY KETONE, METHYLSILANOL MANNURONATE, GLYCINE SOJA PROTEIN, TEA-HYDROIODIDE, VITIS VINIFERA LEAF EXTRACT, OXIDO REDUCTASES, SODIUM CHLORIDE, GLYCERIN, HYDROXYETHYLCELLULOSE, CAPSICUM FRUTESCENS FRUIT EXTRACT, EDTA, PHENOXYETHANOL, SODIUM BENZOATE, ETHYLHEXYLGLYCERIN.

DIRECTIONS FOR USE

Pour 1, 2 or 3 of the same or different My[B]CODE vials (10ml) into My[B]CODE SHOCK BODY SERUM to personalise the product. Shake the mixture vigorously to completely blend the vials with the base serum. Apply the product to the targeted area with circular and/or upward strokes, until it is completely absorbed.

“HOME CARE ROUTINE” FREQUENCY OF USE

Daily use, morning and/or night.

NOTE: Mixed with My[B]CODE SHOCK BODY SERUM.

9 u. x 10 ml / 9 u. x 0.34 fl.oz.
