

**ESSENTIAL CARE
CONCEPT**
DEEP FACIAL CLEANSING
RANGE

Provides a professional expert response to the three essential steps of any salon protocol:

REMOVER: remove toxins attached to the skin surface.
RENEWAL: renew the stratum corneum, stimulating oxygenation and cell regeneration.
REPAIR: repair optimal conditions to rebalance the microbiota, reprogramming self-protection functions and reviving cell rejuvenation processes.

“A calmed skin with repaired microbiota after the extraction process.”

100 ml / 3.38 fl.oz.

**ECC_REPAIR PREBIOTIC COMFORT SERUM
DECONGESTIVE FACE SERUM - POST-EXTRACTION**

Ref: 10465

DESCRIPTION

Highly repairing prebiotic decongestive face serum. Following aggressive extraction processes, it acts by restoring optimal conditions, rebalancing the skin microbiome to reactivate its protective barrier action. Repairs cells damaged in the process. Inhibits bacterial growth and reproduction. The skin is relaxed, refreshed, regains its elasticity and appears radiant once again.

ACTIONS

- Calming
- Decongestant
- Repairing
- Prebiotic

ACTIVE INGREDIENTS

BETA-GLUCAN: Prebiotic which stimulates the proliferation of the skin's protective flora, strengthening the natural barrier which protects the skin from environmental stress and improves skin immunity.

CUCUMBER EXTRACT (*Cucumis Sativus Extract*): Refreshes and remineralizes the skin surface, thanks to its high vitamin and mineral content. Its compounds minimize the action of free radicals and give it a chelating property.

LIQUORICE EXTRACT (*Glycyrrhiza Glabra Root Extract*): Due to its antioxidant action, it contributes to the pigmentation process, developing a uniform skin tone and preserving its natural protection.

PANTHENOL: Calming, decongestant and anti-inflammatory. Deeply moisturises the skin and has a great regeneration capacity due to stimulating self-healing processes.

ALOE VERA JUICE (*Aloe Barbadensis Leaf Juice*): Removes accumulated dirt and oil from pores. Adds considerable renewing, moisturising and antioxidant power.

HYALURONIC ACID: Glycosaminoglycan obtained by fermenting plant substrates. It naturally structures the skin, which preserves elasticity and firmness. Its moisturising and water-retention capacity provides density, a filling effect and deep hydration, as well as preventing dehydration in the epidermis.

NIACINAMIDE: Vitamin B3 reduces the reddened and congested appearance of the skin, deeply fortifying it. Visibly improves the appearance of dilated pores.

COMPOSITION

ALOE BARBADENSIS LEAF JUICE, AQUA, CUCUMIS SATIVUS EXTRACT, PANTHENOL, HYALURONIC ACID, ETHOXYDIGLYCOL, PROPYLENE GLYCOL, BUTYLENE GLYCOL, GLUCOSE, CHAMOMILLE RECUTITA EXTRACT, BISABOLOL, GLYCYRRHIZA GLABRA ROOT EXTRACT, NIACINAMIDE, PHENOXYETHANOL, HYDROXYETHYLCELLULOSE, SODIUM HYDROXIDE, PEG-40 HYDROGENATED CASTOR OIL, PARFUM, CHLORHEXIDINE, BETA-GLUCAN, POTASSIUM SORBATE, SODIUM BENZOATE, ETHYLHEXYLGLYCERIN, LACTIC ACID, DISODIUM EDTA.

DIRECTIONS FOR USE

Apply the product to the palm of your hand and gently massage the face, neck and décolletage. It can be penetrated by electroporation in blue phototherapy mode.
