

My[B]CODE
PERSONALISED BODY
TREATMENT

A revolutionary concept, especially designed to prevent and combat the most common body problems (such as flaccidity, cellulite, excess volume, stretch marks and poor circulation,...) in a targeted manner. This personalised treatment uses a unique code that acts intensively according to the needs of the different parts of the body at any time.

Body concentrates formulated to create and customize the most suitable body treatment. Up to three different concentrates may be mixed together, designing the ideal combination to directly tackle the problem that needs treating.
