## FACE CLEANSING BUTTER Melting Butter Akoactive<sup>®</sup> Horus, Shea Butter, Vit. E, Chamomile, Hypericum

Format 150 ml

Cod. 1030020134

Not a simple cleansing product, but a real sensory experience. Its soft texture, in contact with the hands and face, melts into an oily gel that can effectively remove make-up, pollutants and excess sebum, giving the skin an incredible feeling of well-being. It also gently but effectively removes waterproof make-up. The Shea Butter makes this product nourishing, emollient and elasticizing. Enriched with Vitamin E and the innovative Akoactive<sup>®</sup> Horus, it moisturizes and protects the skin from the harmful effect of free radicals, UV rays and the atmospheric pollution. Hypericum and Chamomile extracts have an important protective, soothing and decongestant action.

## MORINGA OLEIFERA

Moringa oleifera seed oil is a concentrate of vitality and nourishment for the skin. Rich in proteins, vitamins, mineral salts, beta-carotene and flavonoids with antioxidant effects, it inhibits the activity of free radicals, helps to purify from imperfections and oxidative damage, to moisturi-

ze and nourish the skin in depth. Protective effect: rich in polyphenols and phytosterols, plays an important antioxidant action, protects the skin from air pollution, smoke and other pollutants as well as from the harmful effect of UV rays. Purifying effect: plays an important antibacterial and antimicrobial action, particularly inhibiting the growth of acne bacteria, counteracting skin imperfections. Moisturizing and emollient effect: rich in proteins, amino acids, sterols, oligosaccharides and polysaccharides, it plays both an important direct moisturizing activity, being composed of hydrophilic molecules that retain water, both indirect, creating a film on the skin surface that avoids water loss.

## NIGELLA SATIVA

The Nigella Sativa seed extract, rich in Omega 3 and 6, proteins, trace elements and enzymes, plays an antioxidant action protecting the skin from the aggression of free radicals. It regenerates and revitalizes dry, sensitive or irritated skin from skin problems such as acne.

## CHAMOMILE

Chamomilla Recutita, particularly rich in flavonoids, has an important soothing and decongestant action. It stimulates functionality of the microcirculation and the activity of the fibroblasts with promotion of the synthesis of collagen, elastic fibers and hyaluronic acid, thus favoring the repair of the epidermis and the dermis. Indicated in the treatment of sensitive, couperosic, acneic, particularly delicate skin.

## HYPERIC EXTRACT

Plant extract rich in flavonoids and tannins, plays an important antioxidant as well as protective, soothing, anti-inflammatory, healing and re-epithelising action.

## VITAMIN E

It performs an important antioxidant action capable of blocking the harmful effect that free radicals exert on the cells. It protects the structure of collagen and preserves skin elasticity, thus counteracting premature aging due to the oxidative stress of sun rays, pollution and smoke.

## SHEA BUTTER

Particularly rich in vitamins, it has nourishing, protective and antioxidant actions. It promotes the production of collagen and nourishes the skin, giving it elasticity and tone. At the same time it creates a protective film protecting the skin from external aggressions, cold and dehydration, leaving it soft.

**DIRECTIONS FOR USE:** Apply a small amount of Face Cleansing Butter on dry face with your hands and massage with circular movements, insisting on the T-zone and on the parts of the face with more make-up. It is possible to continue massaging the face with wet fingertips: this way the texture will become milky and the moisturizing and nourishing power of the Melting Butter will be enhanced. If used alone, rinse with warm water and possibly with the help of a damp sponge, if used to perform the double cleansing, apply Face Cleansing Mousse and finally rinse both products.
