

**DE-POLLUTION**  
RANGE OF DEFENSE  
AND REPAIR AGAINST  
ENVIRONMENTAL POLLUTION

Range with a bilateral action: firstly, defends the skin from external aggressions to keep the balance of the microbiota in a perfect functional condition and prevent oxidative stress; and secondly, repairs the damage caused by environmental pollution, removing toxic residues accumulated inside the dermis, and restores hydration levels and cellular nutrition to prolong the health and longevity of the skin.

*“Reprogrammes  
cell functions.”*

30 ml / 1.01 fl.oz.

**DE-POLLUTION DE-TOX POLLUTION SERUM - SUPERFOOD  
CELLULAR REGENERATING SERUM**

Ref: 10475

DESCRIPTION

Anti-pollution prebiotic face serum that acts intensively by repairing oxidative stress caused to skin cells and eliminating the free radicals and cytokines produced. Acts as a superfood for the skin, improving cell regeneration. Cell biomarkers of youth are reprogrammed to rebalance the skin microbiome by removing excesses and neutralising oxidative stress caused by environmental toxins.

ACTIONS

- Antioxidant
- Anti-pollution
- Photoprotective
- Moisturising

ACTIVE INGREDIENTS

**MILK THISTLE EXTRACT** (*Silybum Marianum Extract*): Powerful antioxidant and anti-pollution action. Contains Silymarin, an active ingredient with anti-radical properties which neutralises the incidence of ROS and inhibits the release of prostaglandins. Increases the endogenous levels of Glutathione, boosting the chelating action on heavy metals originating from pollution.

**CHLORELLA ALGA EXTRACT** (*Chlorella Vulgaris Extract*): Superfood. Contains more than 20 vitamins and minerals which make it especially valuable for deep skin nourishment. Also rich in proteins and contains all the essential amino acids. It has a very important stimulating effect on the immune system.

**LIQUORICE EXTRACT** (*Glycyrrhiza Glabra Root Extract*): Due to its antioxidant action, it contributes to the pigmentation process, developing a uniform skin tone and preserving its natural protection.

**JUGO DE ALOE VERA** (*Aloe Barbadensis Leaf Juice*): Mejora el sistema defensivo de la piel. Regenerador de alto poder rehidratante, proporciona aminoácidos esenciales para las funciones celulares y oligoelementos que mejoran la estructura cutánea y refuerzan los tejidos.

**ANTI-POLLUTION COMPLEX** (*Ferric Hexapeptide-35 and Tremella Fuciformis Extract*): Ferric Hexapeptide-35 is an antioxidant peptide which regulates cell functions, preserving the biomarkers of the age of the skin and neutralising reactive oxygen species. Tremella Fuciformis Extract reduces DNA damage, prevents lipid peroxidation by protecting cell membranes and minimising protein denaturation.

**ACETYL HEPTAPEPTIDE-4**: Biotechnological active ingredient for strengthening the skin's barrier function. Promotes balance in the microbiota, helping strengthen its defence system. Stimulates the production of beneficial microorganisms with greater bacterial diversity. Prevents water loss, avoiding TEWL.

COMPOSITION

AQUA, PROPYLENE GLYCOL, GLYCERIN, ALOE BARBADENSIS LEAF JUICE, GLYCYRRHIZA GLABRA ROOT EXTRACT, SILYBUM MARIANUM EXTRACT, PHENOXYETHANOL, PROPANEDIOL, CHLORELLA VULGARIS EXTRACT, LACTIC ACID, TREMELLA FUCIFORMIS EXTRACT, FERRIC HEXAPEPTIDE-35, ACETYL HEPTAPEPTIDE-4, SODIUM HYALURONATE, CAPRYLYL GLYCOL, PEG-40 HYDROGENATED CASTOR OIL, TRIETHANOLAMINE, CARBOMER, PARFUM, DISODIUM EDTA, POTASSIUM SORBATE, SODIUM BENZOATE, ETHYLHEXYLGLYCERIN.

DIRECTIONS FOR USE

Apply 3 pumps of product to the face, neck and décolletage and massage gently, always in an upward motion, until it is completely absorbed.

“HOME CARE ROUTINE” FREQUENCY OF USE

Daily use. Morning and night.
