

CELL C
ANTIOXIDANT DEFENCE
SYSTEM AGAINST
FREE RADICALS

It has incredible antioxidant properties that neutralise the deterioration suffered by cells exposed to damage caused by free radicals. It also encourages the skin's natural regenerative capabilities, activating the synthesis of collagen.

Its intense rejuvenating effect effectively slows the skin's ageing processes (wrinkles, sagging, imperfections, blemishes).

The skin feels oxygenated and full of energy, elastic and more radiant once again, and with an even skin tone.

“Fresh and luminous skin with a homogeneous tone.”

CELL C ORANGE RUBBER MASK
ANTIOXIDANT PEEL-OFF MASK
VITAMIN C and ALGINATE

Ref: 10174

DESCRIPTION

Alginate facial mask rich in Vitamin C which reduces the signs of cellular ageing, neutralising the effects of free radicals and restoring the skin's radiance and tone.

ACTIONS

- Firming
- Antioxidant
- Restructuring

ACTIVE INGREDIENTS

ALGINATES (*Algin*): Made from seaweed which is rich in proteins, mineral salts, trace elements and vitamins. Thanks to its gelling properties when coming into contact with water, it produces an osmotic effect that allows optimal penetration for its own active ingredients or those previously applied.

GUAR GUM (*Cyamopsis Tetragonoloba*): An active ingredient derived from plants; it is rich in polysaccharides which boosts the tensor effect. It complements the gelling of the alginates, preventing surface dehydration.

ACEROLA EXTRACT (*Malpighia Punicifolia Fruit Extract*): Fruit with high Vitamin C content (up to 30 times more than that of an orange) with great antioxidant properties. Neutralises free radicals responsible for cellular deterioration, preserving and slowing down the ageing process. Thanks to the Alginates' occlusive effect, it has better saturation and effect on the skin.

COMPOSITION

DIATOMACEOUS EARTH, ALGIN, CALCIUM SULFATE, TETRASODIUM PYROPHOSPHATE, CYAMOPSIS TETRAGONOLOBA, SODIUM ERYTHORBATE, MALPIGHIA PUNICIFOLIA FRUIT EXTRACT, CI 77491, MALTODEXTRINE.

DIRECTIONS FOR USE

Emulsify in a bowl the powder content of an envelope with 60ml of mineral water until you obtain a homogeneous mixture. Immediately spread over the face, neck and décolletage using a spatula. Leave it on for 12-20 minutes. Remove in one piece.

* If the person has no objection, the eyes and lips can be covered completely.

8 x 25 gr. / 8 x 0.88 oz.
