

**CELL VITALITY
ANTI-AGEING REVITALISING CREAM**

STIMULATING ACTION, CELL REVITALISER, PREVENTS WRINKLES

Nourishing anti-ageing face treatment, cell vitality stimulant. Strong anti-oxidant power and Sirtuin stimulator, the so-called "longevity gene". Prevents ageing and wrinkles of the face. Melt-in texture with great nourishing power, enriched with vegetable emollients.

**CELL EYES
ANTI-AGEING EYE CONTOURS**

DECONGESTIVE ACTION PREVENTS WRINKLES

Fast action anti-bags. The Eyeseril draining effect reduces bags in just 15 days. Increases skin elasticity and softness. Also contains Resveratrol, an active agent which reduces DNA deterioration in the skin cells. Prevents ageing and helps to diffuse small wrinkles. Suitable for care of the perilabial region.

**CELL ACTIVATOR
NOURISHING ANTI-AGEING SERUM**

PREVENTS AGEING AND WRINKLES OF THE FACE

Nourishing face serum with Resveratrol, an active agent which reduces DNA deterioration in the skin cells. Strong anti-oxidant power and Sirtuin stimulator, the so-called "longevity gene". Prevents ageing and wrinkles of the face. Serum with tightening effect.
