

CELL C CLEANNING MOUSSE

MOISTURISING CLEANSING FOAM WITH SWEET ORANGE

Cleansing face mousse for dry and normal skin with Sweet Orange Extract and Babassu Oil. Cleanses the skin in depth, maintaining the optimum moisture level and respecting its natural balance, leaving a soft and silky feel.

CELL C MASK

ANTIOXIDANT, RESTRUCTURING
MOISTURISES AND BRIGHTENS

Alginates face mask rich in Vitamin C, specially designed to reduce the signs of ageing, maintain the skin's elasticity and moisturise in depth. Rich in Acerola (a fruit with 30 times more Vitamin C than orange), capable of neutralising the action of the free radicals which cause cell ageing. As a restructuring agent, it stimulates the synthesis of collagen fibres, bringing back the skin's elasticity and firmness, at the same time as unifying tone.

CELL RENEWALL

MULTI-ACID CELL RENEWER

Face renewer, mixture of alpha hydroxy acids (Glycolic, Lactic, Malic, Tartaric and Citric). Improves general skin relief, with the resulting disappearance of small wrinkles and expression lines. Promotes the correct drainage of the pilosebaceous follicles, preventing the formation of comedones and their acne aftereffects. Clarifying effect.

LIGHT & LIFTING SERUM GEL

BRIGHTENS AND UNIFIES SKIN TONE. FIRING EFFECT

Face serum that reduces expression lines. Unifies and brightens skin tone at the same time as improving collagen synthesis, stimulating a general rejuvenation of the face.
