

**ESSENTIAL CARE
CONCEPT**
DEEP FACIAL CLEANSING
RANGE

Provides a professional expert response to the three essential steps of any salon protocol:

REMOVER: remove toxins attached to the skin surface.
RENEWAL: renew the stratum corneum, stimulating oxygenation and cell regeneration.
REPAIR: repair optimal conditions to rebalance the microbiota, reprogramming self-protection functions and reviving cell rejuvenation processes.

“The skin enjoys three textures during its total cleansing routine.”

100 ml / 3.38 fl.oz.

ECC REMOVER 3D TEXTURE CLEANSER
THREE-TEXTURE FACIAL CLEANSING BALM

Ref: 10454

DESCRIPTION

Facial cleansing balm formulated with three textures, which develop on contact with water throughout the cleansing routine: starting as a gel-like balm, melting into a silky oil and emulsifying into a smooth milk to finish. Leaves the skin completely free from any impurities accumulated throughout the day (make-up, sweat, sebum, pollution, SPF, etc.) and perfectly conditioned to continue with your daily skincare routine. Treat yourself to a new cleansing experience!

ACTIONS

- Cleansing
- Detoxifying
- Flexibilising
- Skin tone unifying

ACTIVE INGREDIENTS

SUCROSE LAURATE: Gently cleanses skin without leaving tightness, so it's well tolerated in sensitive skin. Reduces superficial skin tension produced by residues which accumulate due to daily use of drinking water. Allows oil textures to become milk textures upon contact with water.

SUCROSE STEARATE: Comes from the esterified fatty acids of Coconut Oil. Doesn't irritate skin, it hydrates it without making it greasy, leaving a light film to protect it, avoiding moisture loss and providing elasticity. Repairs the hydrolipidic film.

GLYCERINE: Plant origin. Penetrates the stratum corneum, where it captures and retains water molecules, preserving the skin's natural resources of hydration. It's a "hygroscopic" substance.

CITRIC ACID: Improves pore size, removing accumulated dead cells which give this dilation effect. It also keeps the most superficial skin layers balanced. Illuminates and evens the complexion.

COMPOSITION

CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERIN, AQUA, SUCROSE LAURATE, SUCROSE STEARATE, PROPYL GALLATE, CITRIC ACID, TOCOPHEROL, TOCOPHERYL ACETATE, BHT.

DIRECTIONS FOR USE

Apply 3ml to the palm of your hand and spread on the face, neck and décolletage. First massage vigorously until its texture is transformed into a pleasant oil. Then, with slightly moistened hands, work the product in with gentle rapid circular movements until it becomes milk and the make-up or traces of impurities have been completely removed. Rinse with water and dry.
