

ONLY FOR EYES
INTEGRAL TREATMENT
FOR THE EYE CONTOUR

Specifically created to treat each and every one of sign of ageing associated with this special and delicate area.

Its intensive targeted action effectively and sensitively prevents and treats expression wrinkles, eye bags, dark circles, dark spots, fatigue and weariness, dehydration and malnutrition in the periocular area.

“The skin around the eyes is left even, soft and smooth.”

PAUSE _COLLAGEN EYE MASK
COLLAGEN MASK FOR TREATMENT OF EYE CONTOUR AREA

Ref: 14012

DESCRIPTION

Collagen mask for the treatment of the eye contour area. It releases collagen peptides identical to those of the skin, which due to their molecular size and electrical charge penetrate deeply into the dermis, influencing cellular metabolism and stimulating tissue regeneration. The high concentration of collagen guarantees an intensive transfer of moisture to the skin. The natural collagen molecules encourage the reduction of wrinkles.

ACTIONS

- Toning
- Moisturising
- Encourages skin renewal

ACTIVE INGREDIENTS

COLLAGEN (Collagen): Collagen biometrics have a large capacity for retaining water, reducing the appearance of wrinkles and expression lines, increasing cellular density.

COMPOSITION

COLLAGEN, HYDROGENATED POLYISOBUTENE, PPG-15 STEARYL ETHER, PEG40 SORBITAN PEROLEATE, BHT.

DIRECTIONS FOR USE

Apply the mask over the eye contour area and, using a brush, dampen with mineral water until it is completely attached to skin. Allow to act for 12 to 20 minutes and remove.

1 Place the mask over eyes.

2 Prepare a container with mineral water.

3 Thoroughly moisten the mask using two brushes.

4 Leave on for between 12-20 minutes.

5 Remove it gently.
