

**ESSENTIAL CARE  
CONCEPT**  
DEEP FACIAL CLEANSING  
RANGE

Provides a professional expert response to the three essential steps of any salon protocol:

*REMOVER*: remove toxins attached to the skin surface.  
*RENEWAL*: renew the stratum corneum, stimulating oxygenation and cell regeneration.  
*REPAIR*: repair optimal conditions to rebalance the microbiota, reprogramming self-protection functions and reviving cell rejuvenation processes.

*“A skin which recovers its natural pH balance.”*

200 ml / 6.76 fl.oz. 100 ml / 3.38 fl.oz.

**ECC\_REMOVER MIST  
FACIAL TONING LOTION with ROSEWATER**

Ref: 10456 / Ref: 10459

DESCRIPTION

Highly rebalancing prebiotic facial toning lotion. After the cleansing process, it restores the skin's neutral pH level and replenishes optimal hydrolipid film conditions. Restores balance to the skin's microbiome ecosystem, promoting the growth and correct function of its protective microflora. Wild Rose Water acts as a beauty lotion, invigorating tired skin, saturating it like a spray of instant hydration, and stimulating the senses for a wonderful moment.

ACTIONS

- pH Balancing
- Calming
- Protecting

ACTIVE INGREDIENTS

**ROSE WATER (*Rosa Canina Extract*)**: Rich in Vitamins B and E, it enhances the binding capacity of the skin's lipids, forming a hydrating film on the skin's surface. Has an antioxidant action thanks to its high content of Phenic Acid.

**HYALURONIC ACID**: Glycosaminoglycan obtained by fermenting plant substrates. It naturally structures the skin, which preserves elasticity and firmness. Its moisturising and water-retention capacity provides density, a filling effect and deep hydration, as well as preventing dehydration in the epidermis.

**BETA-GLUCAN**: Prebiotic which stimulates the proliferation of the skin's protective flora, strengthening the natural barrier which protects the skin from environmental stress and improves skin immunity.

**BIFIDA FERMENT LYSATE**: Prebiotic which stimulates and strengthens the skin's natural microflora, improving the skin's natural defence system, complements the skin's endogenous protection mechanisms, increasing the anti-immunosuppressive processes at the cellular level, efficiently absorbs UV radiation and helps restore pH.

**ALOE VERA JUICE (*Aloe Barbadensis Leaf Juice*)**: Removes accumulated dirt and oil from pores. Adds considerable renewing, moisturising and antioxidant power.

**OAT EXTRACT (*Avena Sativa Extract*)**: Inhibits the release of cytokines and histamine, participates in keratinocyte synthesis and strengthens the barrier function due to its major contribution of essential lipids.

COMPOSITION

AQUA, ROSA CANINA EXTRACT, GLYCERIN, ALOE BARBADENSIS LEAF JUICE, AVENA SATIVA EXTRACT, HYALURONIC ACID, STYRENE/ACRYLATES COPOLYMER, PEG-40 HYDROGENATED CASTOR OIL, BETA-GLUCAN, SODIUM BENZOATE, POTASIMUM SORBATE, PARFUM, DISODIUM EDTA, BIFIDA FERMENT LISATE, XANTHAN GUM.

DIRECTIONS FOR USE

Spray on the face, neck and décolletage until the skin is left slightly moist. Perform gentle tapping for stimulation and allow to dry naturally.
