

CELL C

ANTIOXIDANT DEFENCE SYSTEM AGAINST FREE RADICALS

Treatment with incredible antioxidant properties that neutralises cell damage caused by free radical exposure. Also enhances the skin's natural regeneration capacity while activating collagen synthesis. Its intense renewing effect effectively slows down skin's ageing processes (wrinkles, flaccidity, blemishes, dark spots, etc.). The skin feels oxygenated and full of energy, elastic and more radiant once again, and with an even skin tone.
