Oily Skins

Format 30 ml
Cod. 1030020026

Shock effect synergy for oily skins, rich of Thyme, Rosemary, Cajeput and Sage plant extracts. Antiseptic, antimicrobial and healing, this active compound is essential in the treatment of impure skin and acne.

SAGE

The salvia officinalis plays an important astringent, disinfectant and sebum regulating action, therefore being essential in the daily care of oily skin and with acne. It takes in the enlarged pores and removes the skin impurities, as well as performing an important antioxidant action against free radicals. It returns vitality and brightness to the skin.

WHITE THYME

The astringent, healing and antiseptic virtues of the white thyme help to rebalance oily skin's PH, thus being the ideal natural active substance in the care and treatment of acne, pimples and blackheads.

ROSEMARY

Rosemary performs an important purifying and stimulating action, thus regulating the sebum secretion and promoting the diuresis with the resulting removal of organism's impurities.

CAJEPUT

Cajeput oil is the variety of melaleuca most used in herbal medicine, as a disinfectant and antimicrobial, excellent in the treatment of oily skin and acne.

PINUS PUMILIO

This essential oil stimulates the microcirculation and the oxygenation of tissues, with the consequent awakening of cellular activity.

DIRECTIONS FOR USE:

Can be used pure, in small quantity, gently massaging the face, neck and décolleté or mixed with other products of the same Skin System's professional cosmetic line to enhance the effectiveness.
