FACE CREAM COENZYME Q10 Coenzyme Q10, Vitamin E, Pepha Tight

All Skins

Format 100 ml and 250 ml

Cod. 1030020044 / 1030020052

Precious face cream H24 with Ubichinone and with incredible anti aging and antioxidant properties. The synergy with Phepha Tight and Vitamin E makes it essential in anti skin aging treatments. Suitable day and night for all skin types.

VITAMIN E

The Tocopherol, important antioxidant, counteracts the harmful effect of free radicals. In this special formulation, it is easily conveyable in the tissues, thus quickly providing the supply of nutrients necessary to the protection of cell membranes fat, slowing down the physiological aging.

COENZYME Q10

Ubiquinone, an enzymatic co-factor that reduces fat and protein peroxidation of cell membranes, plays a strong antioxidant action. Easily permeable, reactivates Vitamin E, oxidized by free radicals and other substances essential for the maintenance of a healthy young skin.

PEPHA TIGHT

The Nannochlorops oculata seaweed extract has a straightening effect on the skin, immediately perceptible. It protects skin cells from oxidative stress while increasing the collagen and elastin formation.

DIRECTIONS FOR USE:

Spread a small quantity of product on the face, neck and décolleté with a gentle massage until completely absorbed. Apply morning and evening.
