OILY SKIN FACE MASK ALOE VERA

Aloe Vera, Bisabolol,
Collagen, Zinc Oxide

Impure and/or sensitive Skins

Format 100 ml and 250 ml

Cod. 1030020024 / 1030020025

Purifying mask based on Aloe Vera. Enriched with Collagen and Bisabolol with strong antioxidant and sebum-regulating properties. Detoxifying, healing and bactericidal, this product helps to rebalance the skin's pH and sebaceous secretion, eliminating the annoying shiny appearance and giving the tissue a compact and homogeneous appearance. Recommended in impure and acne-prone skin treatment.

ALOE VERA: Aloe Vera, particularly rich of vitamin A B C E, minerals and other substances essential for derma health, performs an important restoring, antioxidant, astringent, seborregulatory and immunostimulatory action. It hinders the oxidative stress, favoured by chemical, physical, biological, mental and nutritional factors, thus blocking the physiological process of skin cells aging. It disinfects and purifies the impure and acneic skin, controlling the excessive production of sebum.

COLLAGEN: Essential molecule for the connective tissue health. It has an important moisturizing and supporting action on the skin, im-

proving tone and elasticity and thus preventing the appearance of wrinkles.

BISABOLOL: Thanks to its soothing properties, it is particularly suitable for sensitive and delicate skins. In fact, it hinders inflammation, redness and irritations of all kinds. Recommended also in the treatment of skin diseases, such as atopic and seborrheic dermatitis and in cases of skin pigmentation disorders, such as solar lentigo, senile lentigo and melasma.

ZINC OXIDE: Among the many properties of zinc oxide, there is a marked soothing and astringent action, particularly indicated for the treatment of impure skins.

DIRECTIONS FOR USE:

Apply the product evenly on the face and neck. Leave on for about 10 minutes, then remove with warm water.
