VITAMIN E

The Tocopherol, important antioxidant, counteracts the harmful effect of free radicals. In this special formulation, it is easily conveyable in the tissues, thus quickly providing the supply of nutrients necessary to the protection of cell membranes fat, slowing down the physiological aging.

ARGANIA SPINOSA

Bio Argan Oil has incredible antioxidant, emollient, moisturizing and strongly elasticizing properties. It is one of the most important oils for the skin rejuvenation, thanks to its richness of vitamins and fatty acids. Easily conveyable by the skin, it reaches dermis deeper layers, providing all the nutrients needed to protect it from external aggression, fighting at the same time cracks and dryness of all kinds.

SHEA BUTTER

Particularly rich in vitamins, it performs nourishing and antioxidant actions. At the same time it creates a protective film on the skin protecting it from external aggressions, from the cold and from dehydration, leaving it soft and elastic.

VITAMIN A

Retinol is essential for maintenance and development of the connective structure of the dermis. It stimulates cell regeneration and collagen synthesis, performing an important preserving action of skin's turgidity and, at the same time, an important repairing action against dehydrated and cracked tissues.

ZINC OXIDE

Among the many properties of zinc oxide, there is a marked soothing and astringent action, particularly indicated for the treatment of impure skins.

DIRECTIONS FOR USE:

Apply the product evenly on the face and neck. Leave on for about 10 minutes, then remove with warm water.
