VITAMIN E

The Tocopherol, important antioxidant, counteracts the harmful effect of free radicals. In this special formulation, it is easily conveyable in the tissues, thus quickly providing the supply of nutrients necessary to the protection of cell membranes fat, slowing down the physiological aging.

SHEA BUTTER

Particularly rich in vitamins, it performs nourishing and antioxidant actions. At the same time it creates a protective film on the skin protecting it from external aggressions, from the cold and from dehydration, leaving it soft and elastic.

PHOSPHOLIPIDES

Bio-compatible active ingredients that protect the cell stimulating its correct functioning.

ALLANTOIN

A fundamental molecule for the health of connective tissue. It exerts an important moisturizing and supporting action on the skin, improving tone and elasticity and thus preventing wrinkles appearance. It deeply nourishes and stimulates its physiological cellular self-regeneration, keeping it young over time.

BISABOLOL

Thanks to its soothing properties, it is particularly suitable for sensitive and delicate skins. In fact, it hinders inflammation, redness and irritations of all kinds. Recommended also in the treatment of skin diseases, such as atopic and seborrheic dermatitis and in cases of skin pigmentation disorders, such as solar lentigo, senile lentigo and melasma.

ZINC OXIDE

Among the many properties of zinc oxide, there is a marked soothing and astringent action, particularly indicated for the treatment of impure skins.

QUICK LIFT[®]

Natural sugar polymer with an instant and lasting skin tightening effect. Firms, smoothes the skin and provides an illuminating effect.

DIRECTIONS FOR USE:

Apply the product evenly on the face and neck. Leave on for about 10 minutes, then remove with warm water.
