RADIANCE BOOSTER EFFECT

Instant effect beauty mask. It contains Snail Slime in high concentration and other regenerating and illuminating substances. It carries out a complete antiaging action. It leave the skin smooth, velvety, compact and regenerated.

ACTIVE INGREDIENTS: Snail Slime, Cornflower Extract, Allantoin, Aloe Vera, Hyaluronic Acid.

STRUCTURE BOOSTER EFFECT

Instant effect beauty mask. It contains high concentrations of Collagen and Hyaluronic Acid which, in synergy with each other, perform a complete restructuring action. It leaves a compact and radiant skin.

ACTIVE INGREDIENTS: Collagen, Hyaluronic Acid.

4D EFFECT BOOSTER

Instant effect beauty mask. It contains pure Hyaluronic acid at the highest possible concentration in aqueous solution. Without fragrance, it deeply hydrates, tones, plumps and redefines the contours, leaving the skin compact and radiant.

ACTIVE INGREDIENTS: Hyaluronic Acid, Ozonized Jojoba Oil.

- It is recommended to perform a shock treatment using the masks in daily sequence:
- Then apply the masks when needed depending on the effect you want to obtain or on the level of fatigue and skin stress.

WAY TO USE:

Make a deep facial cleansing, then apply the TNT mask making it stick well in all its parts. Hold for 10 minutes. Then remove the fabric and gently massage any residues.
