AGE DEFENCE MAN CREAM

Speci'Men[™],
Hyaluronic Acid,
Vitamin E, Quickift[®]

Format 50 ml

Cod. 1030020127

Face cream formulated to counteract the typical signs of male aging. The combined action of Speci'Men[™], Quickift[®] and Hyaluronic Acid preserves hydration, improves tone and elasticity and gives the skin a compact and smooth appearance. Vitamin E counteracts the harmful effect of free radicals.

SPECI'MEN[™]: 100% natural Baobab plant extract, approved by Ecocert, specifically formulated for the treatment of male aging (versican). It gives hydration, tone and elasticity to the skin, reduces wrinkles and signs of fatigue around the eyes.

QUICKLIFT[®]: Natural sugar polymer with an instant and lasting skin tightening effect. Firms, smoothes the skin and provides an illuminating effect.

TOCOPHEROL: Important antioxidant, counteracts the harmful effect of free radicals. In

this special formulation, it is easily conveyed into the tissues, thus managing to quickly provide the nutritional intake necessary for the protection of cell membrane lipids, thus slowing down the physiological aging.

HYALURONIC ACID: It is one of the main components of the connective tissue, it confers resistance and firmness to the skin. It penetrates deeply, attracts and retains a large number of water molecules up to 70 times its molecular weight, ensuring hydration, firmness and plasticity, essential for maintaining a young skin.

DIRECTIONS FOR USE:

Use morning / evening on clean and dry skin alone or after the Age Defence Man Serum. PAO 12 M.
