

MyCODE ADVANCED
CUSTOMISABLE
REJUVENATING FACIAL
TREATMENT

A pro-ageing cosmetics line that can be used to design a custom treatment code to suit the specific needs of each person and moment, allowing you to prevent, control, correct and reduce significantly the appearance of the main biomarkers that cause skin ageing and tissue deterioration.

Effective and powerful "targeted action" formulas.

"Instantly smooth and defined skin."

● **39 LIFTING REMODELLING RUBBER MASK**
LIFTING REMODELLING PEEL-OFF MASK

Ref: 10639

● DESCRIPTION

Rejuvenating face mask for firmer, more toned skin and sharper, more defined contours. Biotechnological active ingredient Tens'Up™ provides an amazing immediate and long-lasting flash effect by creating a three-dimensional mesh over the skin surface, strengthening the support tissues and reducing the size and depth of wrinkles. Produces an osmotic effect in the skin for optimal active ingredient absorption during the protocol.

● ACTIONS

- Firming.
- Tightening.
- Detoxifying.

● ACTIVE INGREDIENTS

TENS'UP™: Cosmetic active ingredient combining structure and technology, forming a three-dimensional matrix of galactomannans and trace elements, which act on the skin's surface, forming a film with an immediate and long-lasting tightening effect.

ORGANIC SILICON (Methylsilanol Mannuronate): Forms part of the skin's natural connective tissue structure. Stabilises and maintains the architecture of skin tissues, stimulating fibroblasts and promoting collagen, elastin and proteoglycan biosynthesis. Improves skin elasticity and firmness, thus reducing fine lines and enhancing skin radiance.

ALGINATES (Algin): Rich in essential elements, they promote and increase vitamin synthesis. Alginates also provide an occlusive effect, which enhances active ingredient penetration while firming the skin.

ACTIVE CHARCOAL (Charcoal Powder): Plant origin. Has detoxifying and purifying properties that eliminate toxins and impurities from the superficial skin layer.

● COMPOSITION

39A LIFTING REMODELLING RUBBER MASK:
AQUA, GLYCERIN, ALUMINUM STARCH OCTENYLSUCCINATE, CALCIUM SULFATE, PROPYLENE GLYCOL, MICA, HYDROXYETHYLCELLULOSE, CAPRYLYL GLYCOL, ETHYLHEXYLGLYCERIN, METHYLSILANOL MANNURONATE, XANTHAN GUM, PHENOXYETHANOL, TITANIUM DIOXIDE, CI 77491.

39B LIFTING REMODELLING RUBBER MASK:
AQUA, ALGIN, CHARCOAL POWDER, PROPYLENE GLYCOL, SUCROSE, CAPRYLYL GLYCOL, ETHYLHEXYLGLYCERIN, TETRASODIUM PYROPHOSPHATE.

● DIRECTIONS FOR USE

In a bowl, mix the contents of sachet A with sachet B until you achieve an even, lump-free consistency. Spray toner over the face before applying the mask. Spread a thin but even layer over the face and neck using a spatula. Leave on for 10-15 minutes. Remove in one piece.

*Do not cover the eyes or lips without protection.

B: 60gr. / 2.11oz.

A: 56gr. / 1.97oz.
