

MyCODE ADVANCED
CUSTOMISABLE
REJUVENATING FACIAL
TREATMENT

A pro-ageing cosmetics line that can be used to design a custom treatment code to suit the specific needs of each person and moment, allowing you to prevent, control, correct and reduce significantly the appearance of the main biomarkers that cause skin ageing and tissue deterioration.

Effective and powerful "targeted action" formulas.

"Radiant skin that's full of renewed vitality."

● **46 REVITALISING ILLUMINATING HYDROGEL MASK**
REVITALISING ILLUMINATING HYDROGEL MASK

Ref: 10646

● DESCRIPTION

Rejuvenating hydrogel face mask for instantly rested, luminous and radiant skin. Its rich cocktail of Vitamins C, E, H, B and B12 recharge the skin with a boost of renewed energy, reducing the visible signs of fatigue. Sea Buckthorn Fruit Extract protects the skin from external aggressions thanks to its high antioxidant content. The mask sticks firmly to the skin while providing a pleasant feeling of freshness.

● ACTIONS

- Antioxidant.
- Brightening.
- Regenerating.

● ACTIVE INGREDIENTS

MADECASSOSIDE: A component of Centella Asiatica capable of reducing free radicals that damage the skin, formed by exposure to environmental factors such as UV rays and pollution. Its properties include increasing the skin's natural hyaluronic acid production.

ALLANTOIN: Stimulates collagen and elastin production, essential for smooth and supple skin. It has soothing properties and promotes skin regeneration.

VITAMIN E (Tocopheryl Acetate): Highly antioxidant vitamin that helps to combat the action of free radicals, the main cause of cellular ageing.

LOTUS FLOWER EXTRACT (Nelumbo Nucifera Flower Extract): Extracts of this plant stimulate collagen production, prevent cell deterioration and slow down skin ageing. Powerful antioxidant that protects the skin from external aggressions.

SEA BUCKTHORN FRUIT EXTRACT (Hippophae Rhamnoides Fruit Extract): High antioxidant content, protects the skin from external aggressions.

● COMPOSITION
