

MyCODE ADVANCED
CUSTOMISABLE
REJUVENATING FACIAL
TREATMENT

A pro-ageing cosmetics line that can be used to design a custom treatment code to suit the specific needs of each person and moment, allowing you to prevent, control, correct and reduce significantly the appearance of the main biomarkers that cause skin ageing and tissue deterioration.

Effective and powerful "targeted action" formulas.

"Skin that's redensified, smooth and moisturised skin from within."

051 PLUMPING REPLENISH FACIAL SERUM

Ref: 10651

DESCRIPTION

Replumping facial rejuvenating serum that fills, smooths and redensifies skin with deep static wrinkles and pronounced expression lines, providing a plumper appearance. Lifting effect that smooths the skin relief.

ACTIONS

- Plumping.
- Redensifying.
- Moisturising.
- Decongestive.

ACTIVE INGREDIENTS

LOW AND MEDIUM MOLECULAR WEIGHT HYALURONIC ACID (Sodium Hyaluronate): This combination provides both intense hydration to the deepest skin layers and restores optimal hydration levels, preventing water loss in the outermost layers. Helps diminish visible signs of ageing such as expression wrinkles and expression lines, especially those resulting from dehydration.

PANTHENOL: Calming and decongestive. Deeply moisturises the skin and has powerful regenerating and redensifying properties, stimulating self-healing processes.

UREA: Powerful skin-compacting effect. Prevents transepidermal water loss, improves deep hydration and thus preserves the essential substances that maintain tissue structure and provide skin resilience.

ACETYL HEXAPEPTIDE-51 AMIDE: Peptide complex that increases skin longevity and prevents damage associated with the exposome.

COMPOSITION

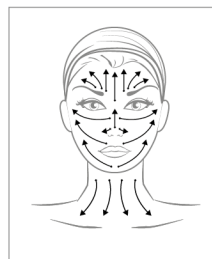

AQUA, PROPYLENE GLYCOL, GLYCERIN, PANTHENOL, BUTYLENE GLYCOL, GLUCONOLACTONE, SODIUM HYALURONATE, GLUCOSE, ACETYL HEXAPEPTIDE-51 AMIDE, FRUCTOSE, SUCROSE, CAPRYLYL GLYCOL, GLUTAMIC ACID, ETHYLHEXYLGLYCERIN, UREA, ASPARTIC ACID, ALANINE, XANTHAN GUM, DISODIUM EDTA, POLYACRYLATE CROSSPOLYMER-6, DEXTRIN, PEG-40 HYDROGENATED CASTOR OIL, HEXYLENE GLYCOL, HEXYL NICOTINATE, PARFUM.

DIRECTIONS FOR USE

Apply 1ml product over the face, neck and décolletage, using the recommended movements until completely absorbed. Shake before each use. Apply the treatment cream afterwards.

"HOME CARE ROUTINE" FREQUENCY OF USE

Daily use. Morning and/or night.

15 ml / 0.51 fl.oz.
