● **072 RESURFACING - RETINOL**  
**REPAIRING FACE CREAM**

Ref: 10672

● DESCRIPTION

Facial rejuvenating cream with an intense regenerating and repairing action on skin cell functions. Provides comfort and aids skin recovery after professional retinol treatments.

● ACTIONS

- Total rejuvenation.
- Redensifying.
- Clarifying.
- Firming.
- Antioxidant.
- Sebum-regulating.
- Evening.
- Decongestive.

● ACTIVE INGREDIENT

REVINAGE®: Plant-based active ingredient and a safe and stable alternative to retinoids. Stimulates cell proliferation, increasing collagen and elastin production, boosting skin firmness and diminishing the appearance of wrinkles and expression lines. Antioxidant, soothing and sebum-regulating action. Reduces melanin production.

BAKUCHIOL: Plant-based ingredient derived from the seeds and leaves of the babchi plant. Provides similar results to retinol without the side effects and is known for its rejuvenating, antioxidant, depigmenting and decongestive properties.

VITAMIN E (*Tocopheryl Acetate*): Highly antioxidant vitamin that helps to combat the action of free radicals, the main cause of cellular ageing.
