SUMMESUN SPF50+ SUN PROTECTION CREAM WITH PIGMENT COLOR MICROSPHERES CC CREAM

Ref: 25002

DESCRIPTION

Facial sunscreen with pigment color microspheres that provide a natural and uniform tanned appearance. Non-oily touch. Light texture.

ACTIONS

- Sunscreen
- Moisturising
- Prevents surface dehydration
- Regenerating
- Soothing
- Evens skin tone

ACTIVE INGREDIENTS

ALOE VERA (*Aloe Barbadensis Leaf Juice*): Its moisturising and softening properties make it able to retain water molecules and, by doing so, it refreshes and decreases excessive temperatures which accumulate during sun exposure.

CAMOMILE EXTRACT (*Chamomilla Recutita Extract*): Rich in flavonoids, this natural protective substance helps to counteract the harmful effects of UVB, boosting the soothing and decongestive action of the skin's surface layers during sun exposure.

OXIDOREDUCTASES (*Oxido Reductases*): Enzymes which block the action of free radicals produced during sun exposure, preventing oxidation, which damages the extracellular matrix and accelerates ageing.

HYALURONIC ACID (*Sodium Hyaluronate*): Great hydrating power. In addition to the importance of moisturising during sun exposure, it is also essential to protect against dehydration, to not drain the skin's natural reserves and leave it unprotected against external aggressions, such as UV radiation.

COLOUR MICROSPHERES (*Mica*): They melt upon contact with the skin, giving a natural tone which adapts to every phototype.

COMPOSITION

AQUA, ETHYLHEXYL METHOXYCINNAMATE, BUTYL METHOXYDIBENZOYLMETHANE, OCTOCRYLENE, ALOE BARBADENSIS LEAF JUICE, CHAMOMILLA RECUTITA EXTRACT, BISABOLOL, SODIUM HYALURONATE, GLYCINE SOJA PROTEIN, OXIDO REDUCTASES, CITRIC ACID, CELLULOSE, HYDROXYPROPYL METHOXYDIBENZOYLMETHANE, IRON OXIDES, MANNITOL, MICA, BUTYLENE GLYCOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERIN, PHOSPHOLIPIDS, TITANIUM DIOXIDE, TETRASODIUM GLUTAMATE DIACETATE, CARBOMER, PEG-40 HYDROGENATED CASTOR OIL, SODIUM HYDROXIDE, PROPYL GALLATE, TOCOPHERYL ACETATE, TOCOPHEROL, PHENOXYETHANOL, ETHYLHEXYLGLYCERIN, IMIDAZOLIDINYL UREA, PARFUM.

DIRECTIONS FOR USE

Apply the product to the palm of the hand and massage gently to melt the microspheres. Apply the product evenly and liberally to clean and dry skin, about 20-30 minutes prior to sun exposure, massaging gently until the product has been completely absorbed. Reapply every 2 hours. To stay protected, reapply the product often, especially after perspiring, swimming or drying.

"HOME CARE ROUTINE" FREQUENCY OF USE

Daily use.

TIP: For daily facial sun protection, apply SUMMESUN SPF50+ SENSITIVE SKIN or SUMMESUN SPF50+ WITH MICROSPHERES each morning, over your skin cream.
